

# INITIAL MEDICAL RECORD REVIEW AND CODING

## ACCURATE. EFFICIENT. COMPLIANT.

Cognisight, part of Rochester Regional Health, is a leading provider of risk adjustment solutions for health plans. Our certified coding experts ensure accuracy from the very first review, capturing all valid and supported diagnoses to reflect each member’s true health status. By getting it right from the start, we strengthen data integrity, reduce rework, and support precise reporting while delivering top-tier accuracy at a highly competitive price.

## 20 YEARS’ HIGHEST-LEVEL CODING EXPERTISE

### HCC Coding

- 3,800+ experienced medical coders, AAPC and/or AHIMA certified professionals
